BETTER OUTCOMES

SCHOOL WINS

Gap-year trainees often do the everyday tasks that free teachers to better spend their time developing programs and activities. They can assist with administrative tasks and give hands-on support in and out of class, including carnivals, camps, excursions and school functions.

TRAINEE WINS

The year in a school gives gap-year trainees a deep insight into what it takes to become a teacher, by giving them intensive and extensive paid practical on-the-job experience matched with a nationally accredited qualification.

AFL SportsReady has allowed our school to extend our sporting program to a level that would not have been possible without it! The program has proven to be such an important part of our College sporting pursuits and programs. I would highly recommend the program to any organisation who is looking for additional hands on support."
