BETTER OUTCOMES

SCHOOL WINS

Gap-year trainees often do the everyday tasks that free teachers to better spend their time developing programs and activities. They can assist with administrative tasks and give hands-on support in and out of class, including carnivals, camps, excursions and school functions.

TRAINEE WINS

The year in a school gives gap-year trainees a deep insight into what it takes to become a teacher, by giving them intensive and extensive paid practical on-the-job experience matched with a nationally accredited qualification.

We have been involved with AFL SportsReady since 2002, and in that time we have put 17 former students through the program. We have seen many positive outcomes for both our trainees and the College, and as a result they have become an integral part of the collegial work environment. We look forward to continuing this relationship for many more satisfying and successful years ahead."
