SCHOOL WINS

Gap-year trainees often do the everyday tasks that free teachers to better spend their time developing programs and activities. They can assist with administrative tasks and give hands-on support in and out of class, including carnivals, camps, excursions and school functions.

TRAINEE WINS

The year in a school gives gap-year trainees a deep insight into what it takes to become a teacher, by giving them intensive and extensive paid practical on-the-job experience matched with a nationally accredited qualification.

UNIVERSITY PARTNERS

NOTE: Our trainees may receive direct entry and course credit to any one of our university partners. Conditions apply, please visit aflsportsready.com.au for further details.

“ Doing a gap year Traineeship has given me a good insight into what the workforce is like. The training is very useful and effective, having conditioned me to transform from a school student to a valuable employee in the workforce very well. It’s a gap year with a purpose that has given me an opportunity to realise what to pursue in future.”
