## 87% OF OUR TRAINEES WORKING IN SCHOOLS GRADUATE

“Every day is different. I could be in PE or Outdoor Education classes, planning sport events or maintaining the sport shed. This traineeship has given me an insight to what the industry is like, and whether I would like to go and further my studies to become a PE teacher.”

# 4 BETTER OUTCOMES

## SCHOOL WINS

Gap-year trainees often do the everyday tasks that free teachers to better spend their time developing programs and activities. They can assist with administrative tasks and give hands-on support in and out of class, including carnivals, camps, excursions and school functions.

## TRAINEE WINS

The year in a school gives gap-year trainees a deep insight into what it takes to become a teacher, by giving them intensive and extensive paid practical on-the-job experience matched with a nationally accredited qualification.

## UNIVERSITY PARTNERS

**NOTE:** Our trainees may receive direct entry and course credit to any one of our university partners. Conditions apply, please visit [afisportsready.com.au](http://afisportsready.com.au) for further details.

She has gained a thorough understanding and valuable insight of what it is like to be in the teaching field while working at our school.”
