

With 16 million Australians actively participating in sport, now's the time to start a traineeship in a \$32 billion industry*

SportsReady Education is the leading education provider of sport and business education and forms part of AFL SportsReady - RTO ID 22394.

Our sport and recreation courses are nationally recognised qualifications designed to equip you with the essential skills and knowledge demanded by today's competitive business landscape. We offer a supportive and engaging learning environment that empowers you to excel in a variety of Sport and Recreation roles. With our comprehensive curriculum, expert trainers, and practical learning experiences, you'll gain the confidence and capabilities necessary to thrive in the industry.

What Will You Learn?

Our sport and recreation courses cover a wide range of critical industry skills, ensuring you are well-prepared to tackle the challenges of the sport and recreation industry. You'll develop proficiency in areas such as sports training, sports facility operations, customer service excellence, team collaboration, and the utilisation of sports business software applications. These sought-after skills will not only enhance your employability but also empower you to make a positive impact across the sport and fitness sectors.

Flexible Entry Requirements and Supportive Learning Environment

We welcome individuals from diverse backgrounds and experiences to join our sport and recreation courses. We understand that each student is unique, which is why we provide personalised support tailored to your specific needs. Our team is dedicated to providing assistance and guidance throughout your learning journey, ensuring your success every step of the way.

Course Structure

Our sport and recreation courses offer a structured curriculum designed to develop industry skills and professional capabilities. The Certificate III in Sports, Aquatics and Recreation (SIS30122) is an entry-level qualification providing you skills to work within sports and leisure centres supporting customer service and recreational services. The Certificate IV in Sports, Aquatics and Recreation (SIS40122) expands upon these skills and prepares you for operational and logistics roles in the recreation industry". The Certificate IV in Sport Development (SIS40421) gives you the skills to run clinics, administer sports competitions and manage volunteers. Choose the course that aligns with your aspirations and embark on an exciting journey in Australia's sports industry.

Flexible Online Learning

We understand the importance of flexibility in today's fast-paced world. Our sport and recreation courses are delivered through a combination of online and face to face learning, with timetables that have been created to provide flexibility and give you constant access to our comprehensive learning materials, assessment resources, and interactive platforms. Our experienced trainers will guide you through the course, assess your progress, and provide valuable feedback so you can balance your studies with other commitments.
